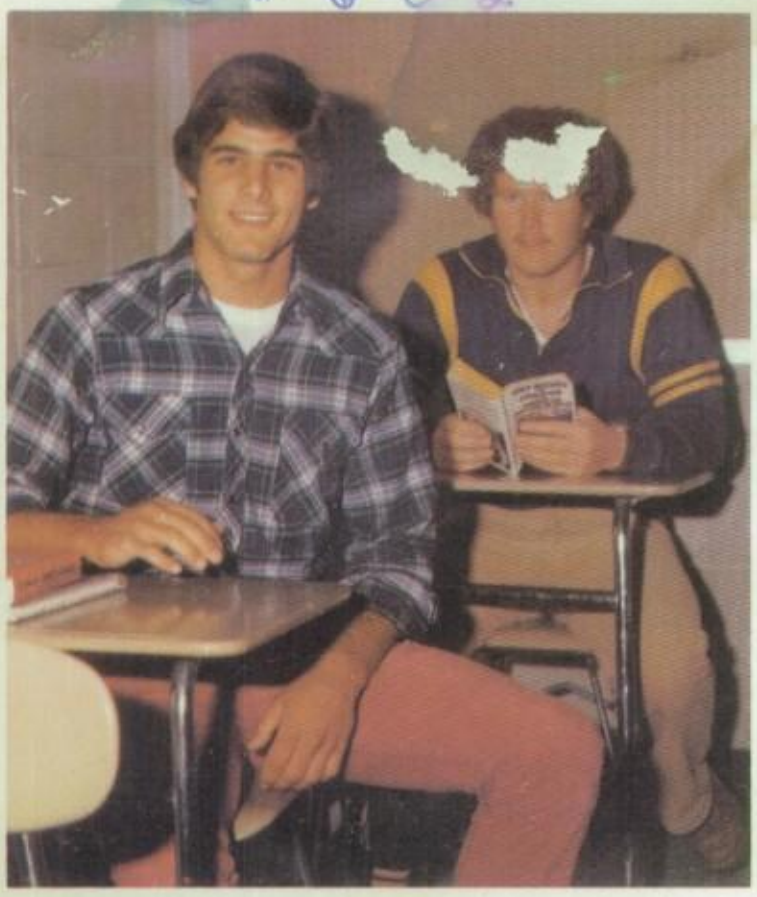
THANK YOU, MISS OLIVER.

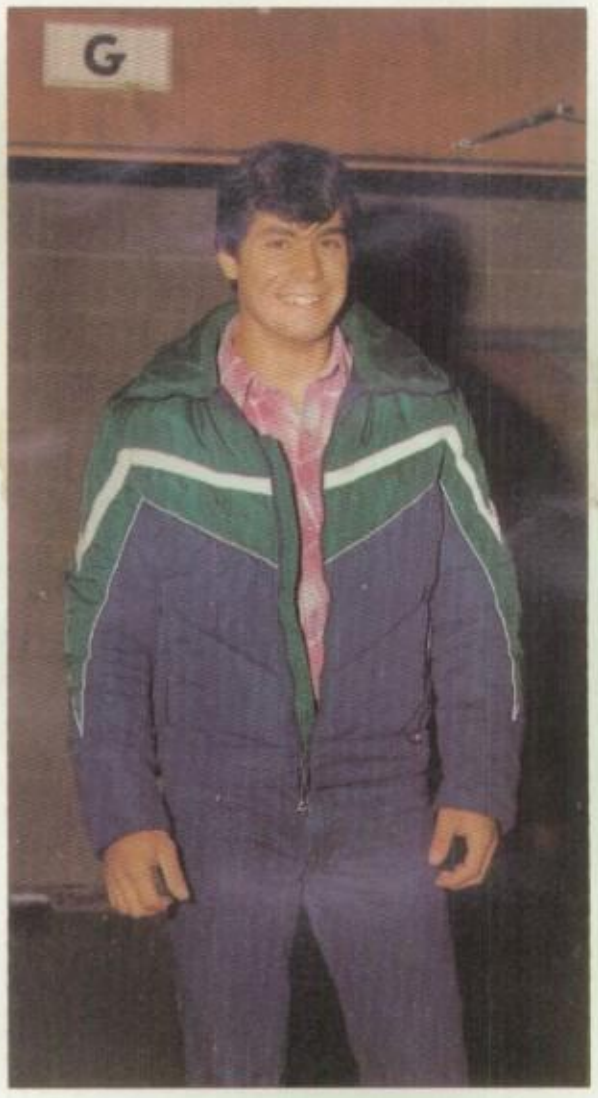
WE LOVE YOU.

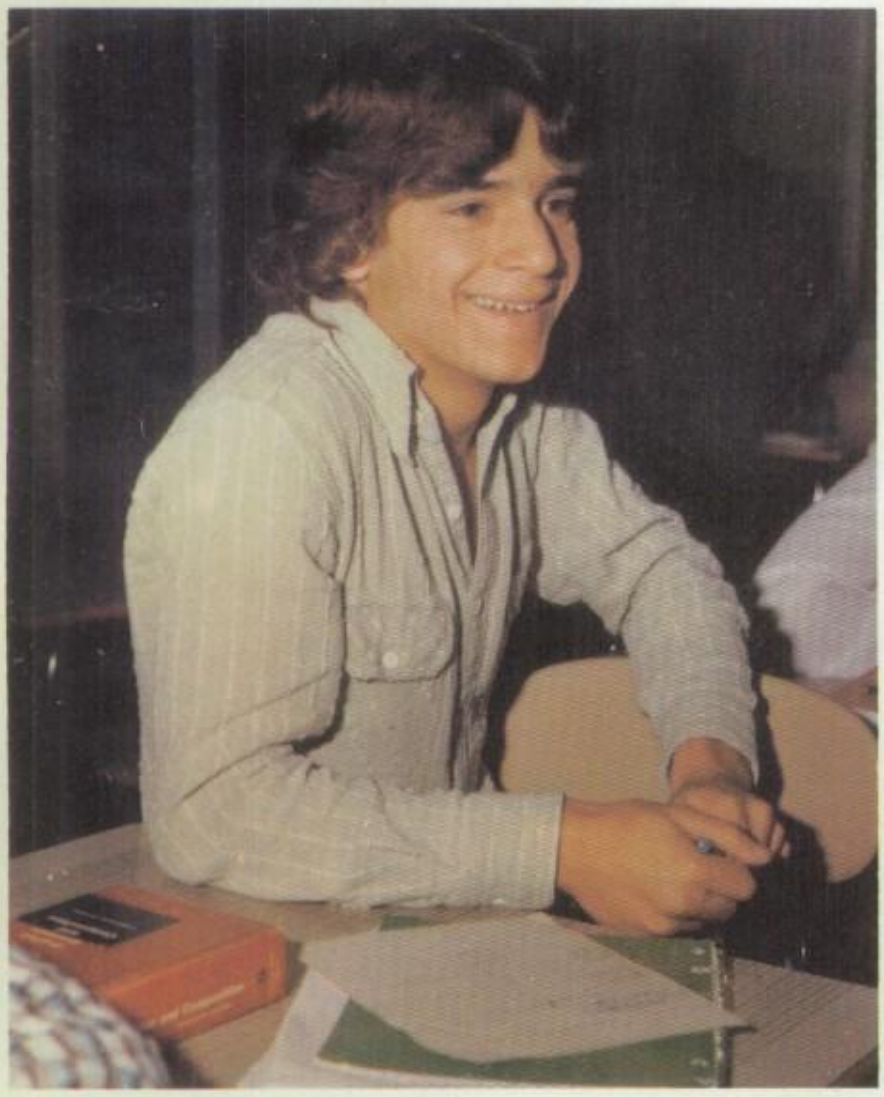
Dedicating a yearbook is not an easy task. It requires the selection of one individual in times of struggle, represents the ideals of the students and maintains an excellent rapport with them. In short, one who has given much more than received. Our choice was, fortunately, not a difficult one, for in our Sophomore Year when Miss Oliver took over the position as class advisor, she brought with her genuine interest and caring. She helped us to attain even our most far-fetched desires and never let us down. We hope she will always remember the fun times and touching moments. A mere thank-you seems insufficient; therefore, it is with sincere pleasure that we, the Senior Class, dedicate the 1980 Green and White to Miss Deborah Oliver.

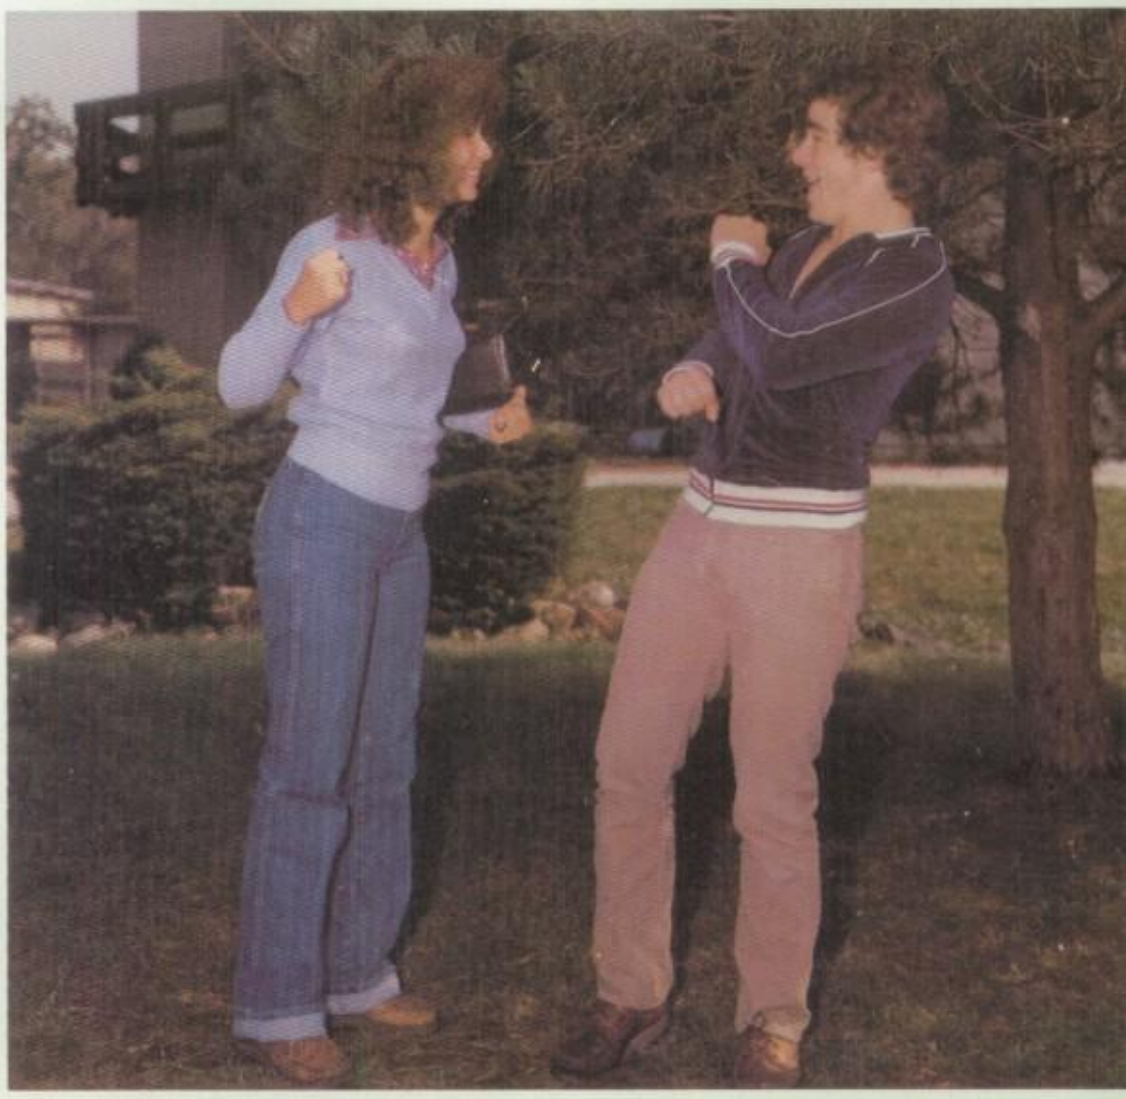
you wake up, and time has slipped away

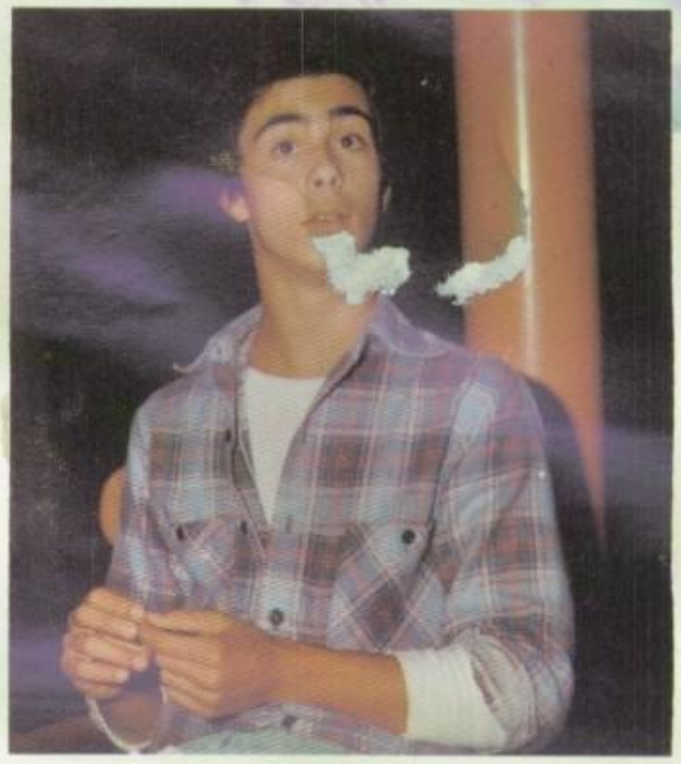
and suddenly it's hard to find

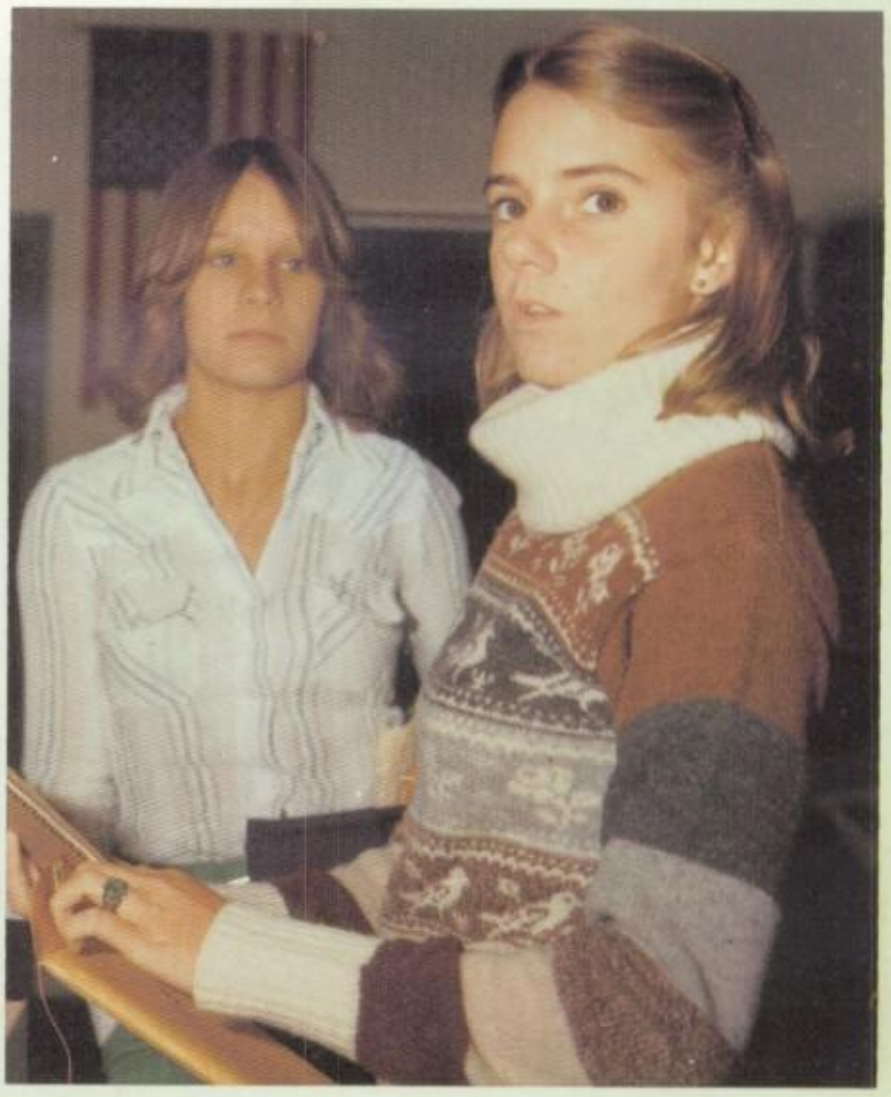


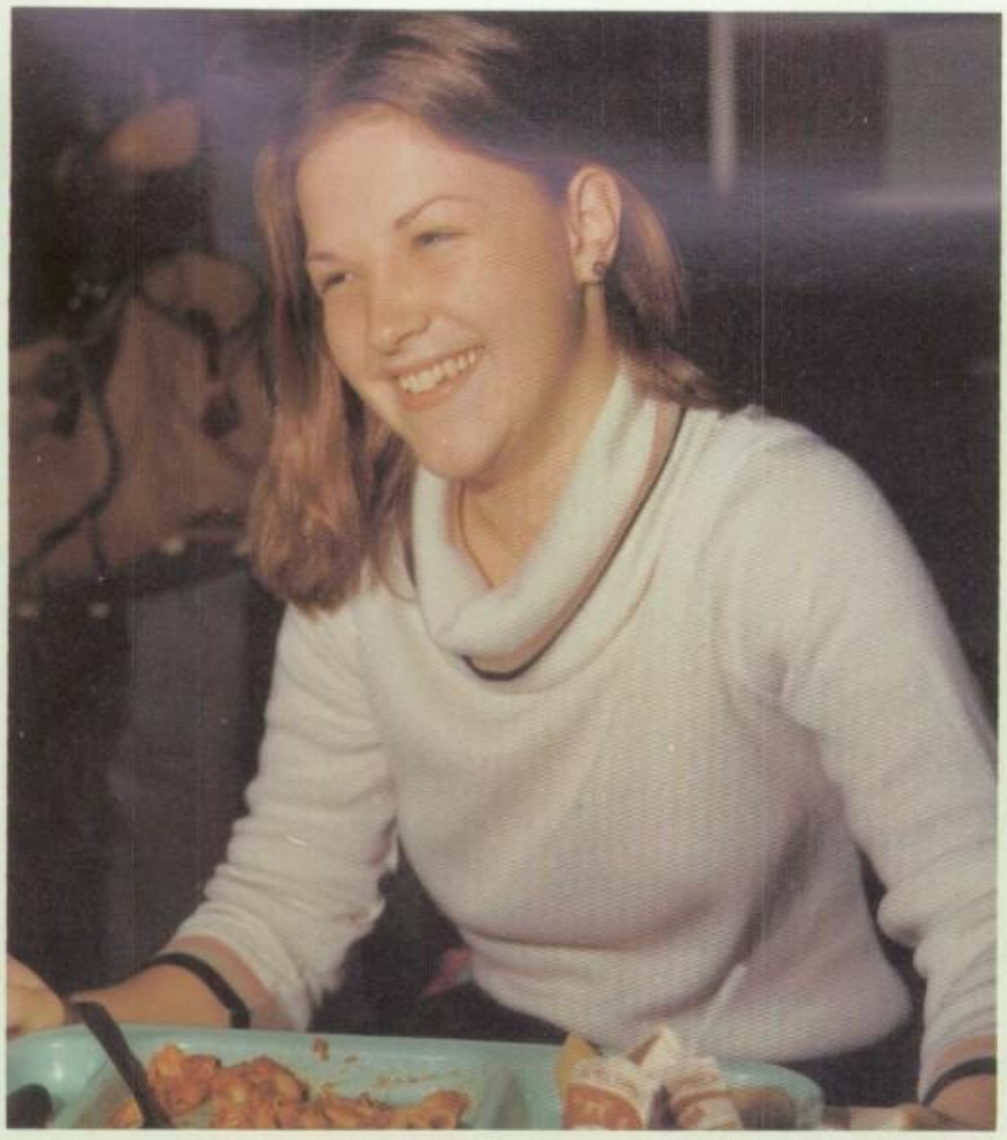




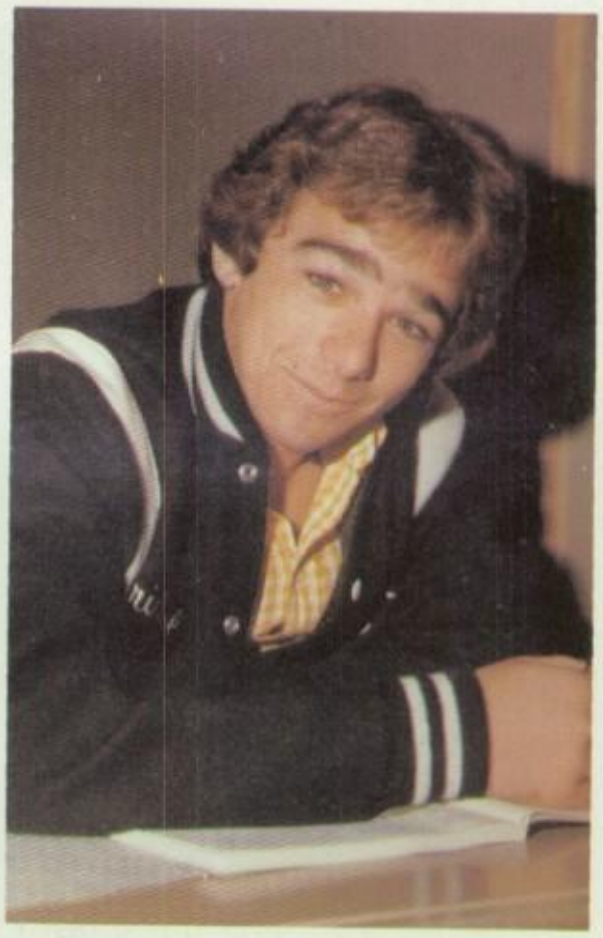


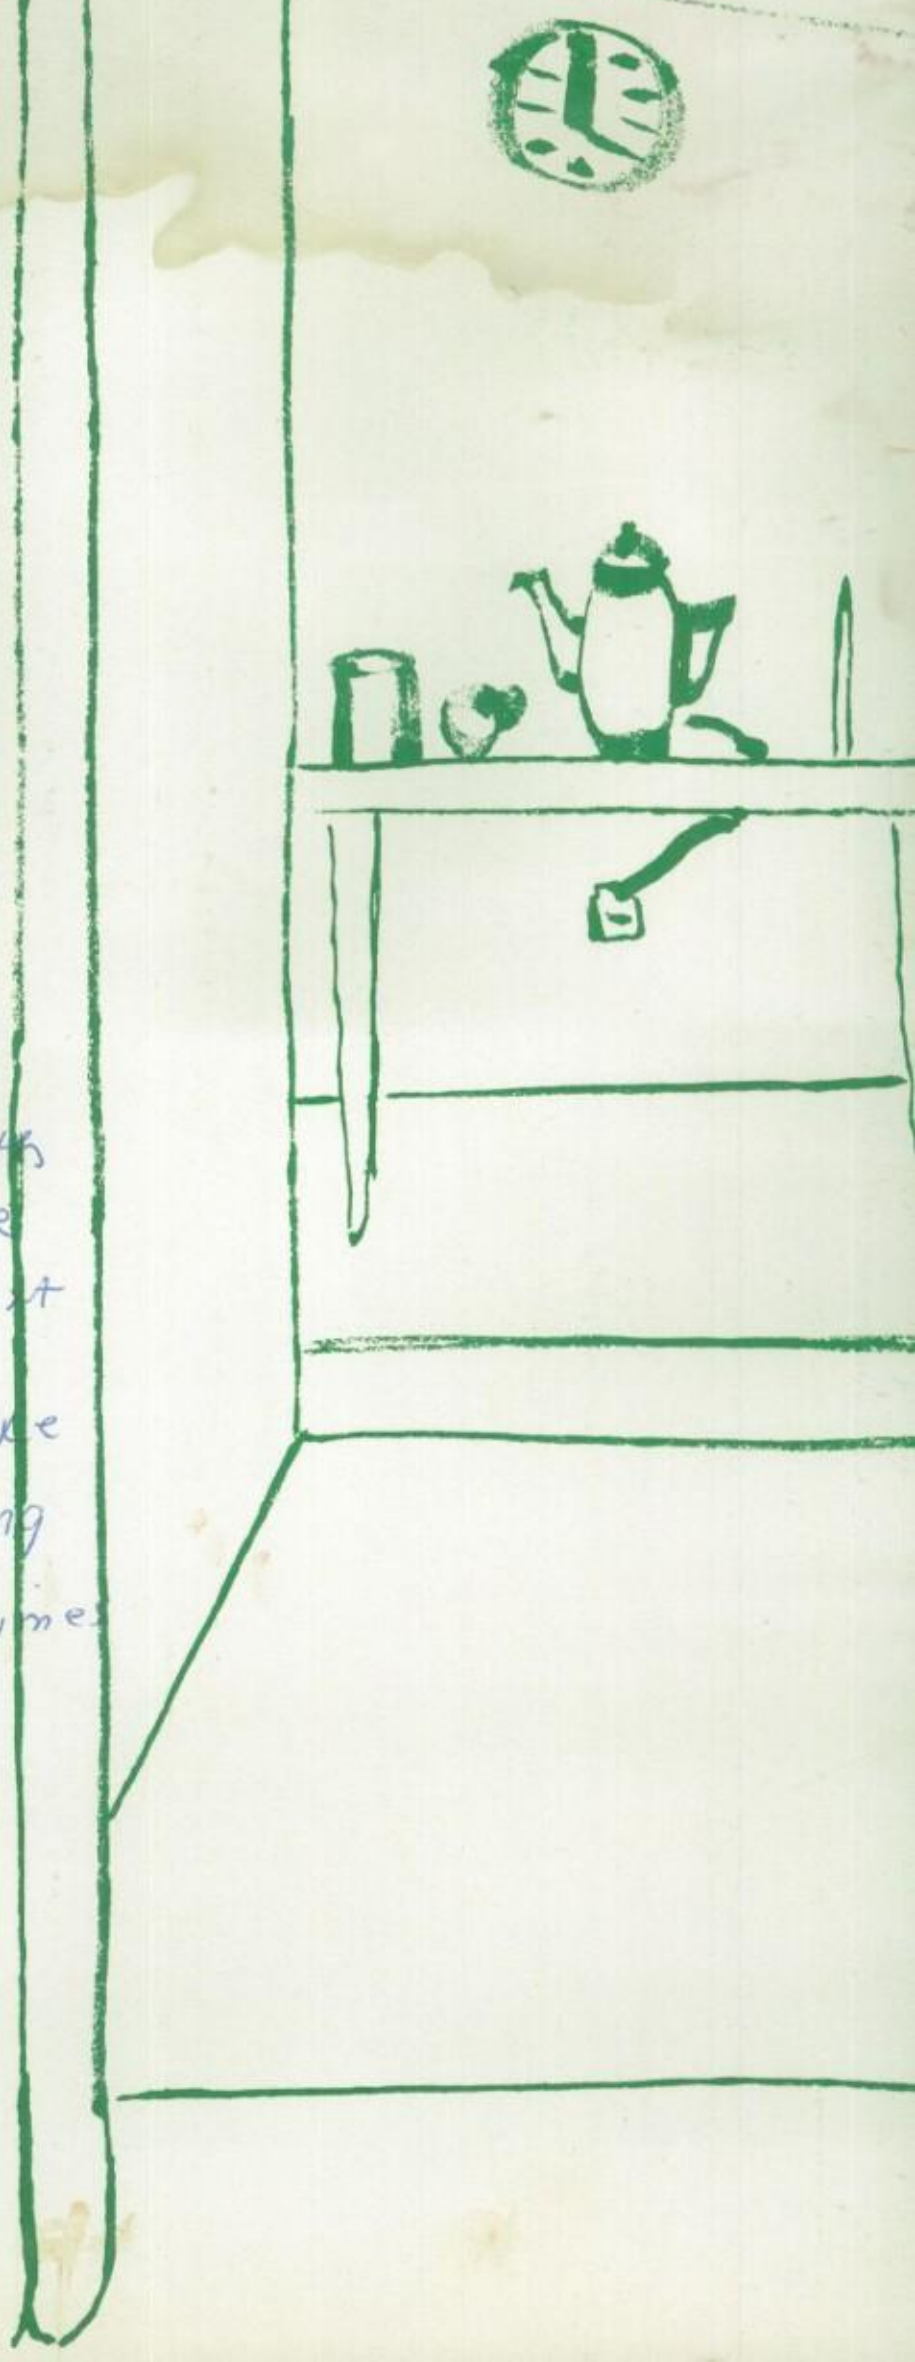






the good times and the bad you've seen and all the others in between

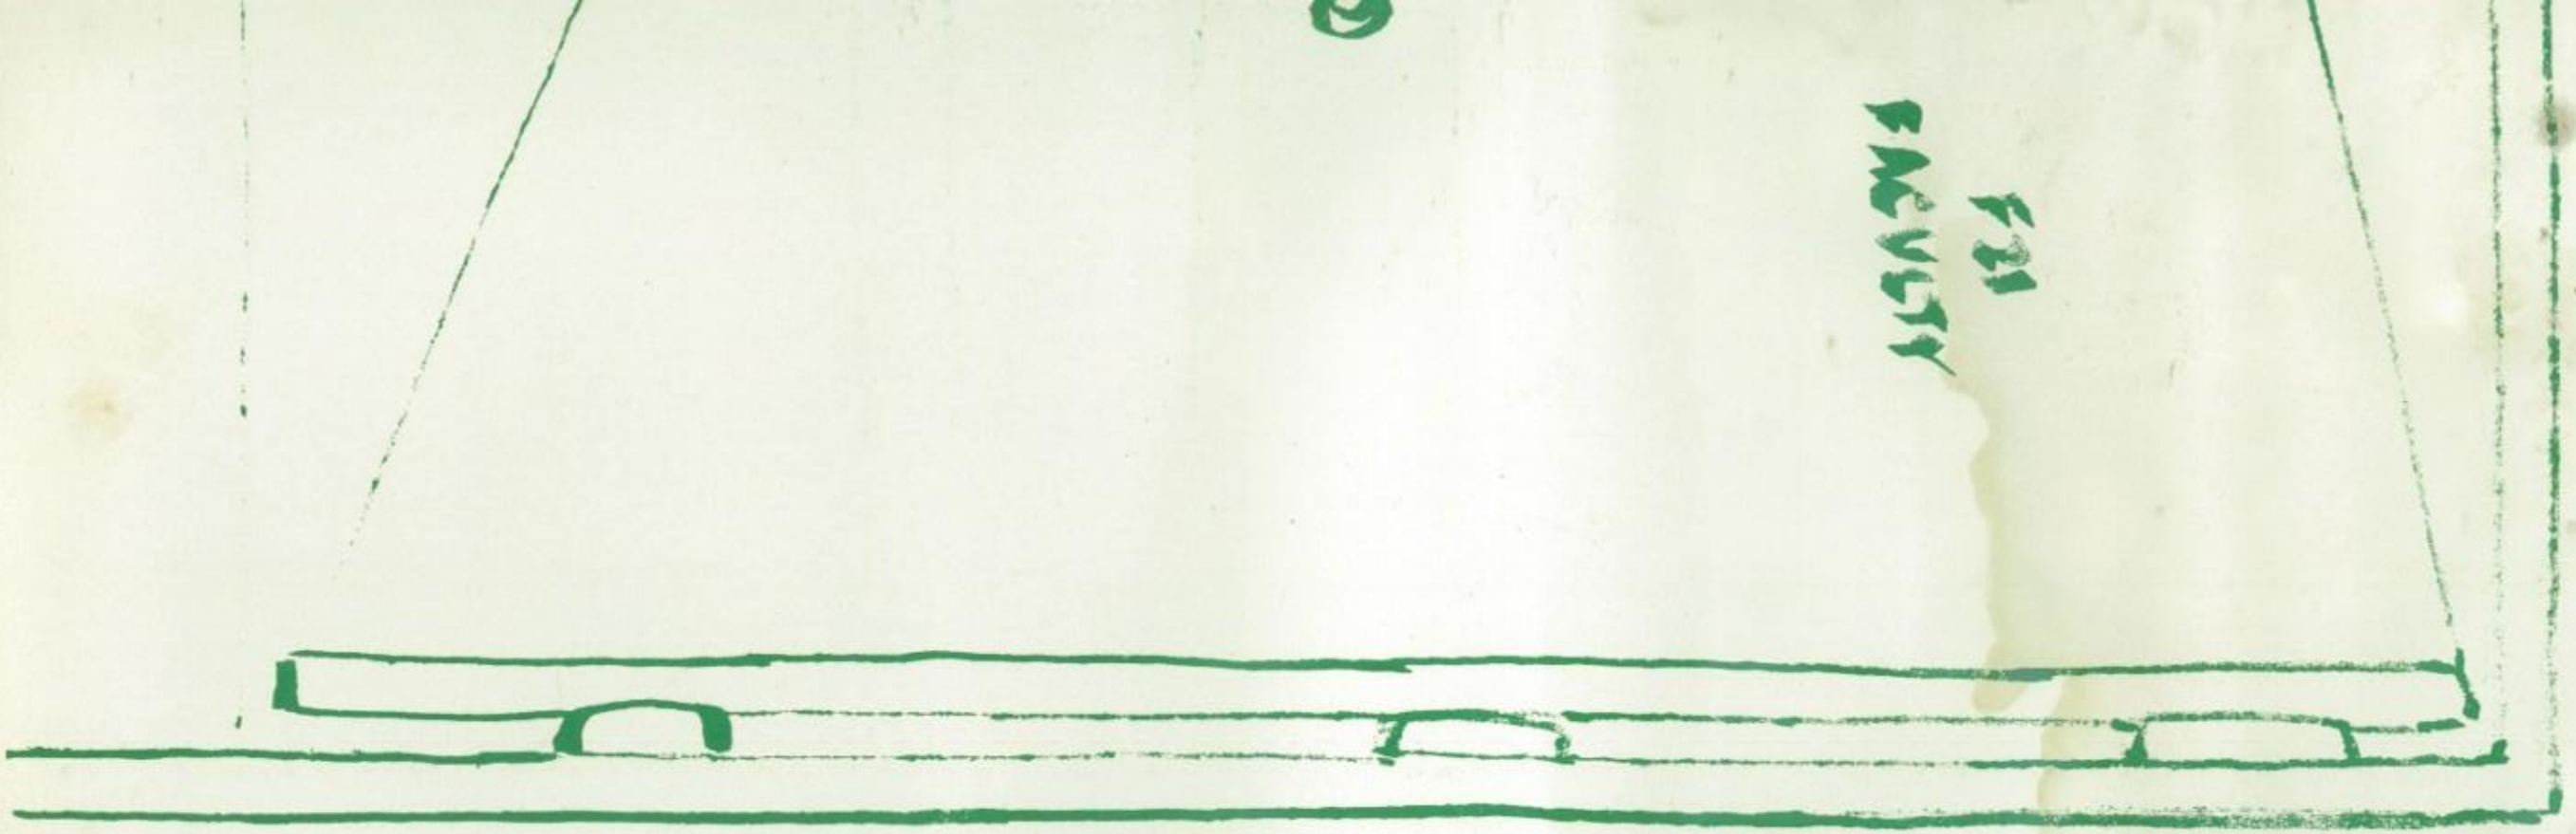


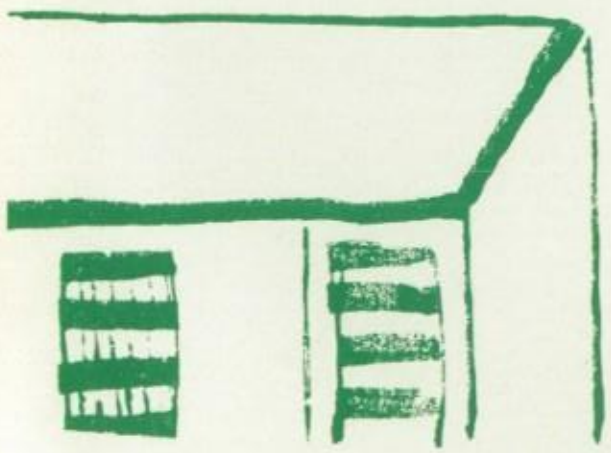


Eddie,

You remind me of Eddie Munster, on the Munsters. It was fun being with you in the caf. & courtyard. Have a nice summer & behave. Hope to see you next year or during the summer. Be nice to your girlfriends cuz if you treat them like you talk your ~~bad~~ bad. (haha) only Kidding Dirty Mind! You make me wonder some time.

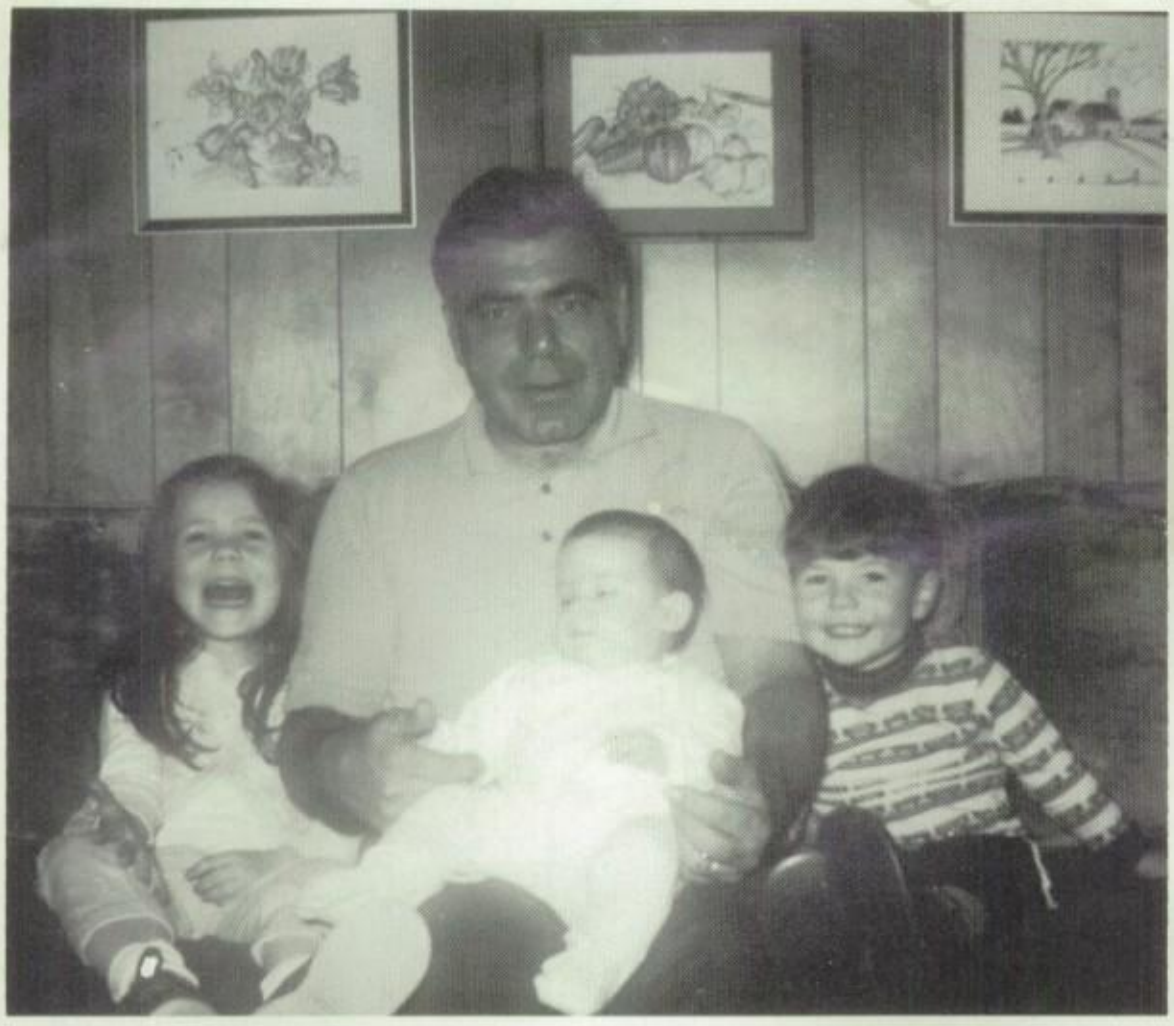
Love,
A-F-A Valerie





ADMINISTRATION AND FACULTY

IN MEMORY OF



MR. SALVATORE L. CARULLI (1928-1979)

Rare is the teacher who combines the qualities of high moral character, competency in the subject matter, love for the art, and total involvement in the lives of his students. Such a teacher was Mr. Salvatore L. Carulli . . .

This was the man who was taken from us at the beginning of the school year. He was with us a short time but his influence will endure. We will always identify him with the marks of the virtuous man. He was a good example for all of us . . .

We, the students of Bristol Senior High School, express our sincere sorrow. May the hand that reached out and touched our lives be enfolded forever in the hand of God . . .

SUPERINTENDENT OF SCHOOLS

If the learner sits and lets knowledge flow over him like water over a rock, nothing is going to happen to him.

It is only when a genuine interaction between the learner and the "stuff" of education takes place does any observable change occur. It is this genuine interaction which we have attempted to provide you throughout your education in the Bristol Public Schools.

Please accept my best wishes for a happy, healthy, and prosperous future.

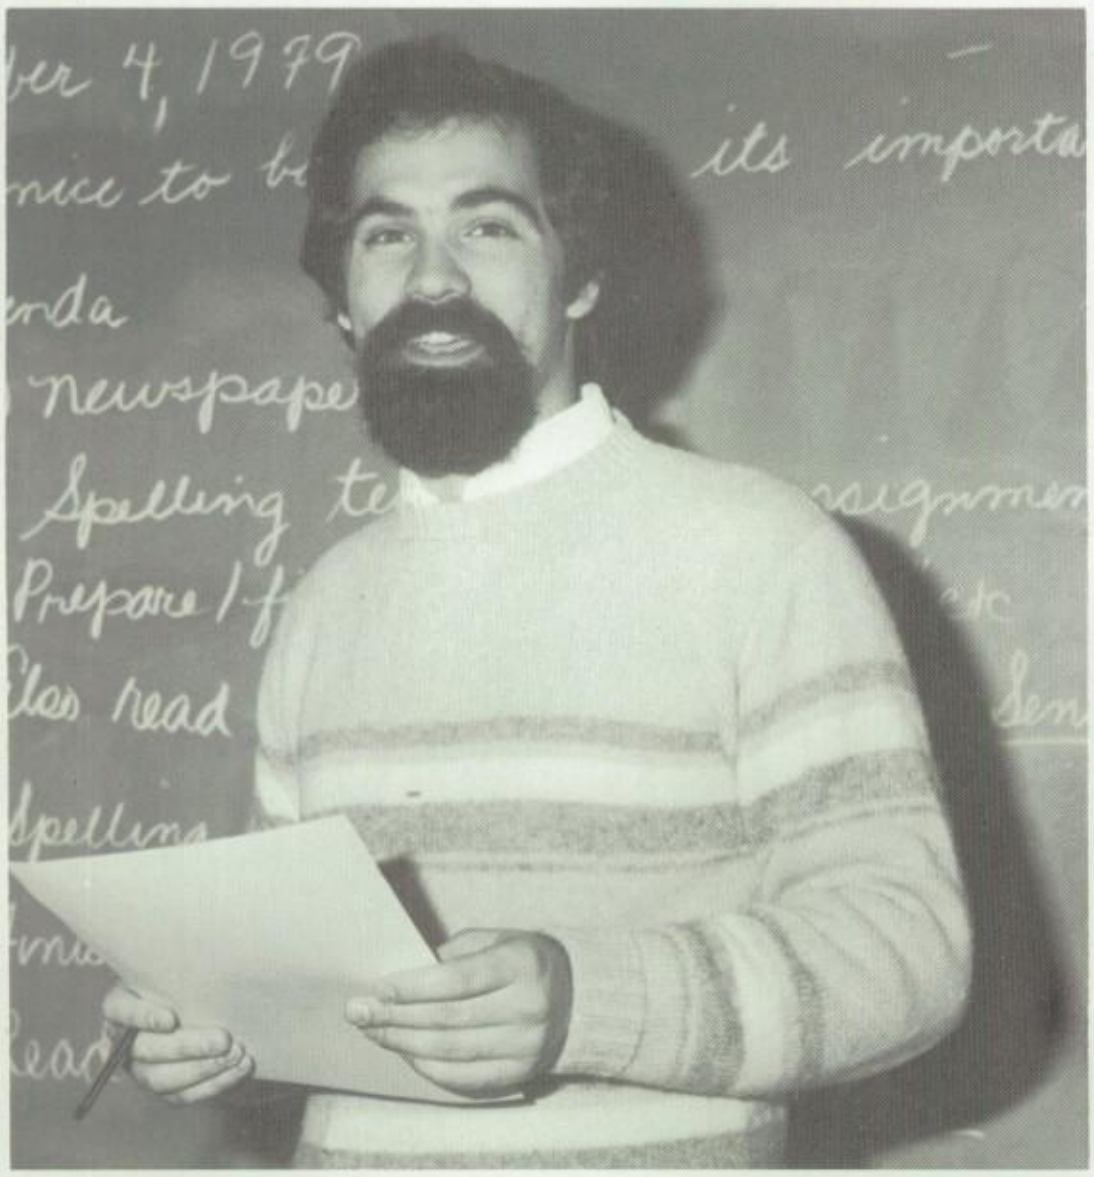
ORGANIZATIONS

GREEN & WHITE STAFF



Advisor, William P. Dennis

The 1980 Green and White Staff has done its very best to produce a yearbook which will capture all the memories of your high school years. The planning of the book and collecting of ads from area merchants was done by a staff of 20 members, and some members of the staff spent long sleepless nights laying out the book to meet next-day deadlines.

We were aided in our success by our advisor, William P. Dennis. Our editorial staff consisted of Kerry Clark, editor; Donna Greenslade, organizations; Bonnie Quaglietta, sports; Karen Berry, faculty; Jenifer Mello, senior section; Pat Connery, business; and Alicia Raiola, Marcia Dollins, and Paula Fonseca, underclassmen. June Mack did some photography for the staff. We would like to take this opportunity to thank everyone for their help and support.

The Drama Club has a cast and crew of sixty members which push to be the best in the theatrical field. The President, Ronald Bienkowski; Vice-President, Jackie Vargas; Secretary, Maria Digati and Treasurer, Colleen Verria have worked hard to make the Drama Club the success that it was this year. Mr. Dennis has been advisor, producer, coordinator, director, and friend to the members of this club.

CLOSE-UP

MODEL LEGISLATURE

Close-Up is a one week non-partisan American Government study that takes place in Washington, D.C. during the week of March 23-29 of this year. Students seek community support to offset the expenses of the week. No officers were picked this year because in this type of organization none are needed. Approximately 30 students were involved this year under the direction of Mr. William Fasano.

To get into Close-Up more completely, some students joined Model Legislature, which is a mock session of the R.I. General Assembly that is co-sponsored by the Rhode Island Social Studies Association and the Department of Education.

There are 10 students which represent BHS with James Rielly having been chosen to chair the Senate H.E.W. committee (one of the 20 leadership positions). Mr. Fasano is also advisor for Model Legislature.

CEILIDH MAGAZINE

The Ceilidh, (K-lid is the orrect pronunciation) is the urrent name of the Bristol High chool literary magazine. Original oems, short stories and art work ppear on its pages. Poets, writers f short stories and artists whose ifts might otherwise be lost in the aily bustle of a typical American igh school find a place in Bristol ligh School!

Historically, the magazine has hanged names, advisors and ontributors many times, but its bject has endured. Ceilidh has een made possible by the help of Mrs. Bryant.

D.E.C.A

The Junior-Senior D.E.C.A. this year has 33 members. D.E.C.A., which is directed by Mr. DeQuattro and the new co-advisor Joe Ferreira, has run and enterprised the school store, which sells candy, potato chips, notebooks, pens, etc. D.E.C.A. held a Christmas party this year at the Narcon in Hartford, Conn. The bumper-sticker drive for the Tricentennial was proven to be very successful. So it looks like D.E.C.A. is still in business!

JUNIOR CLASSICAL LEAGUE

This year a new club came into existence at B.H.S. The new club was the Junior Classical League, which is better known as the Latin Club. Ray Cabral along with Mr. Drury (the advisor) helped get the club together. Now the club is 12 members strong and they have already placed 2nd in a competition at the Priory, and 1st in a home competition. The club hopes to send two students to the National Convention in Tennessee this summer. This club will endure a long time, just as Rome did.

CLASS HISTORY

We, the Class of 1980, first entered Bristol High School in September of 1975. As eighth graders, we were both afraid and anxious to become a part of the student body of Bristol High. Our officers that year were President, Roberta Emery; Vice President, Caroline Mancieri; Secretary, Lisa Cardoza; and Treasurer, Ruth Nerone. Our Eighth Grade Dance was held on May 15, 1976, in the cafeteria. The theme song was "Colour My World." Our advisor was Mr. Terry Douglas.

Our Freshman year was highlighted by our participation in freshman sports. Our officers were President, Kerry Clark; Vice President, David Viveiros; Secretary, Lisa Cardoza; and Treasurer, Ruth Nerone. The Freshman Frolic was held on May 28, 1977 and was our first semi-formal dance.

Our Sophomore class officers were President, Joseph Sousa; Vice President, David Viveiros; Secretary, Lisa Cardoza; and Treasurer, Ruth Nerone. This year we were very lucky to gain Miss Debbie Oliver as our advisor. The Sophomore Hop was held on May 27, 1978, with "Wish Upon a Star," as our theme song.

Our Junior year held many activities in store for us. Our class officers, President, Joe Sousa; Vice President, David Viveiros; Secretary, Lisa Cardoza; and Treasurer, Ruth Nerone, led us in our class participation. The Ring Dance, Christmas Dance, ushering for Graduation, and taking our senior formals were all high points of the year.

Finally, we became Seniors. Our officers were President, Joe Sousa; Vice President, David Viveiros; Secretary, Lisa Cardoza; and Treasurer, Ruth Nerone. We cherished our last moments together as a class, the Christmas Dance, the Senior Reception, and finally, entering Graduation Week with butterflies in our stomachs and tears in our eyes. Throughout all our years we'll miss everyone but, mostly, Miss Oliver, to whom we owe more than we can say, and to all our friends that we sadly leave behind.

We would like to extend our best wishes to the future classes that will graduate from Bristol High School.

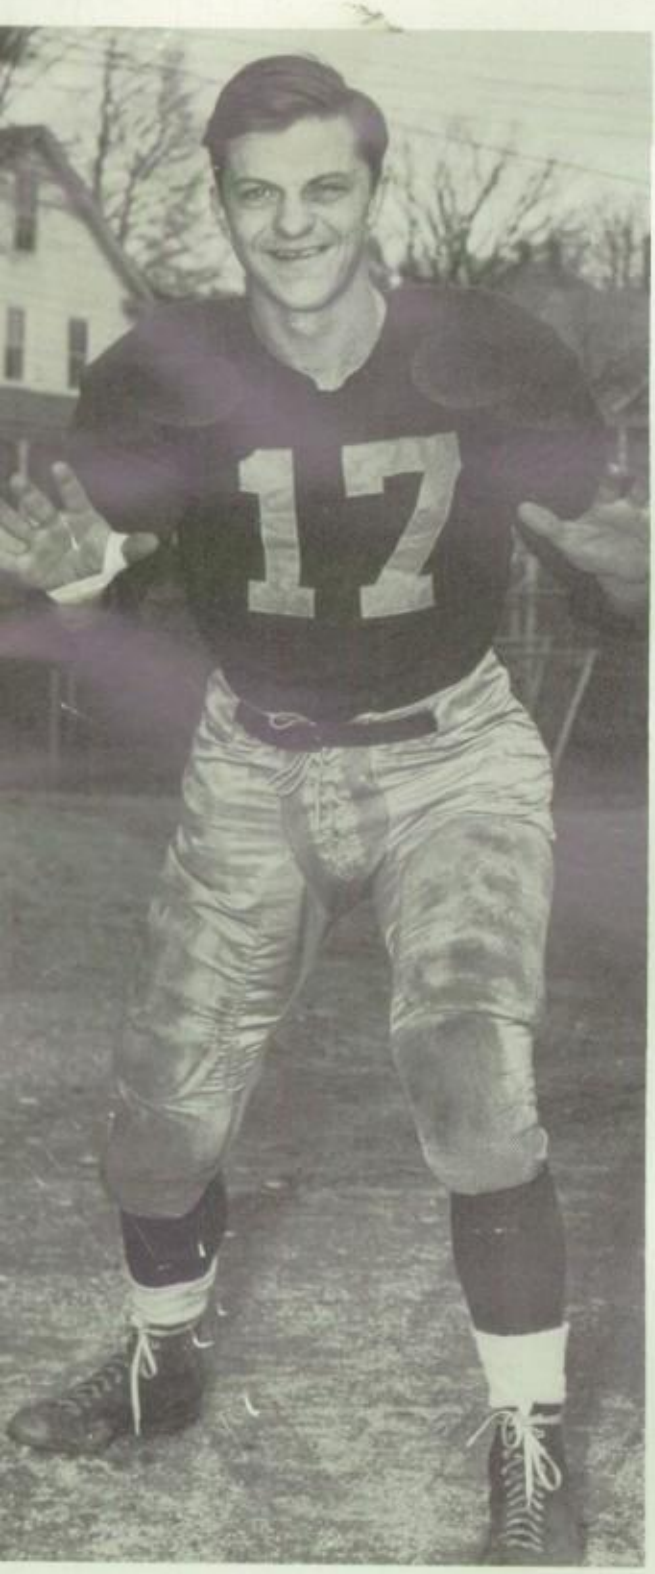
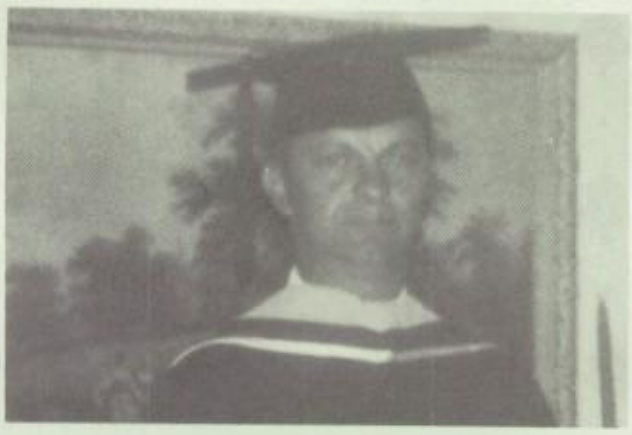
IN MEMORY OF





To the faculty and students at Bristol High School, Eric W. Dober was more than a teacher. He was a friend. His warm personality and easy-going manner made him well-loved by all. He was a man who knew the true meaning of sportsmanship and lived it every day. Our sorrow at losing him is more than we can express. We will always remember Eric Dober and the happiness that he shared with all of us.

SPECIAL ACKNOWLEDGEMENT

We, the Class of 1980, would like to dedicate this page to our parents for their help and guidance during the past years.

With love,
The Class of 1980

ACKNOWLEDGEMENTS

The editors and staff of the 1980 Green and White express deep gratitude to the following people.

Mr. Bill Dennis for his help and patience during this year.

Joan Silva for her wonderful talent in doing all of our art work.

Mr. Michael Walsh for his knack at being a salesman.

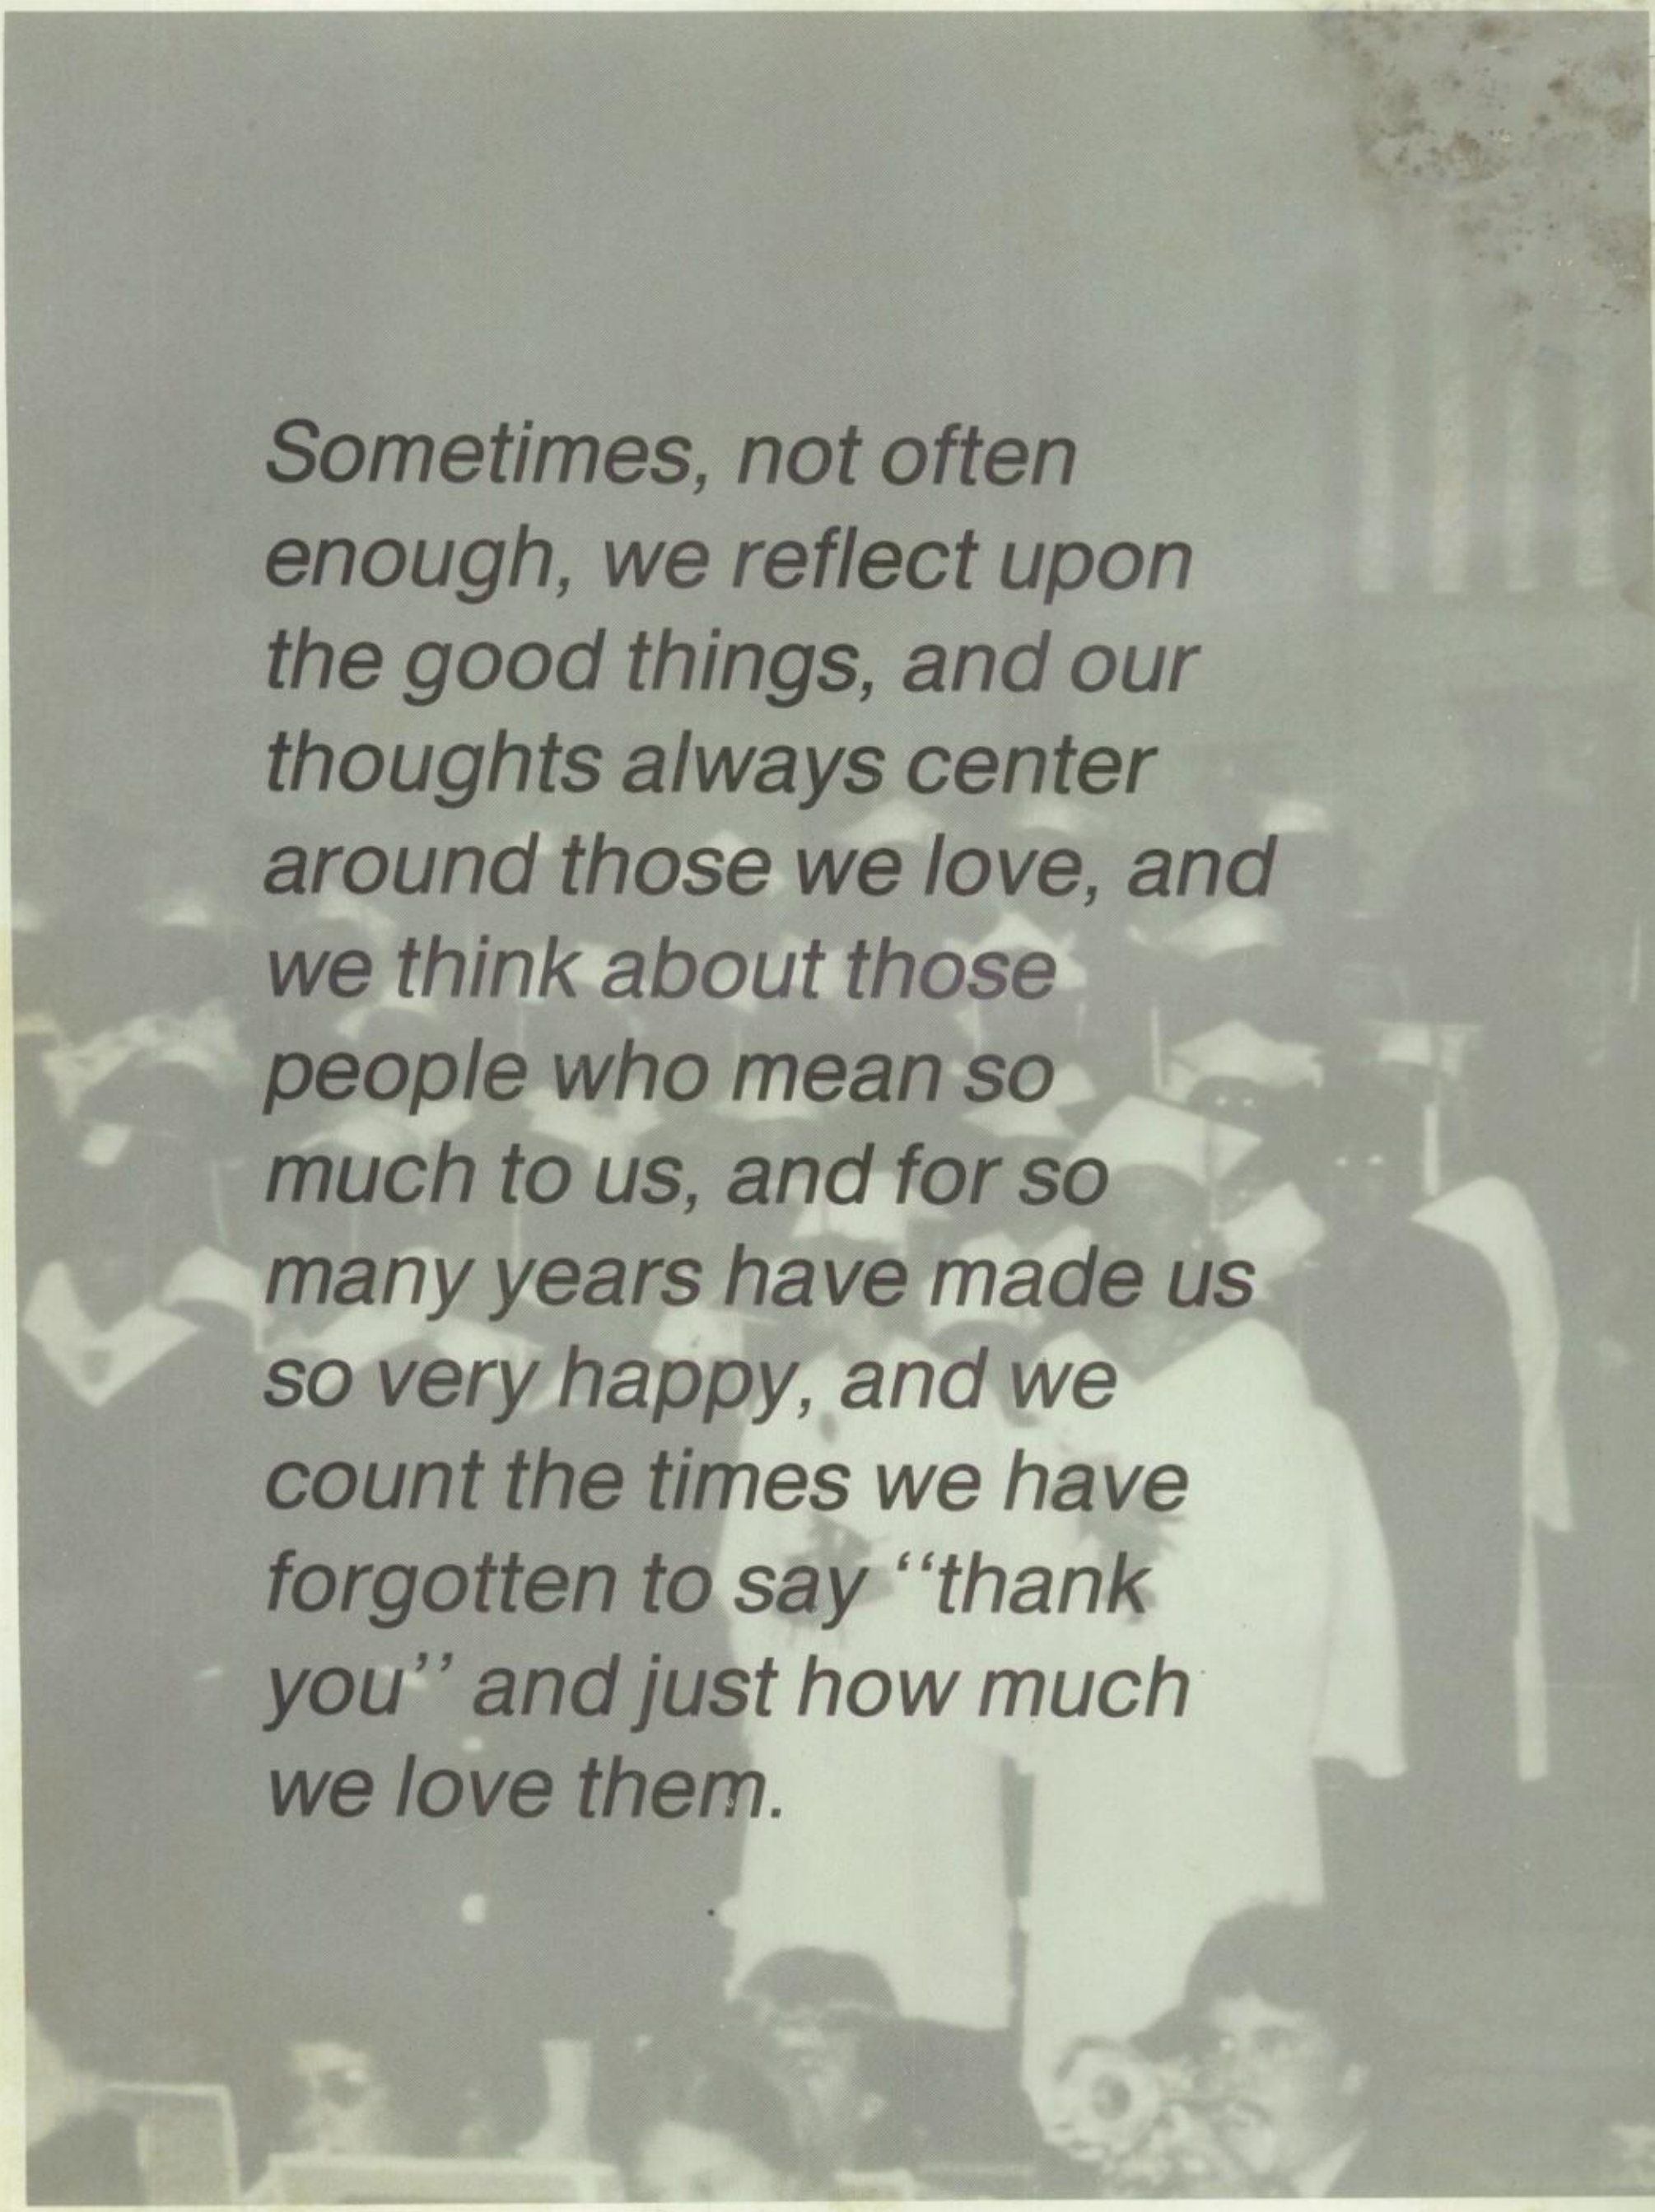
The secretaries at the main office and Janice Sylvia for being cooperative and understanding.

The administration for bearing with us in times of stress.

Loring Studios for handling our pictures.

Mr. Arnie Lohman for guiding us over the rough spots, and being there to lend a helping hand.

The Clarks' for letting us use their home for our all-night layout sessions.



Sometimes, not often enough, we reflect upon the good things, and our thoughts always center around those we love, and we think about those people who mean so much to us, and for so many years have made us so very happy, and we count the times we have forgotten to say "thank you" and just how much we love them.
